This compact 4 berth motorhome is based on Peugeot's smart short wheel base Boxer, offering luxury accommodation for 4 people. The exterior design is both eye catching and attractive and combines well with Autosleeper's interior quality fixtures and fittings. The layout consists of a side center settee with a double dinette opposite providing ample space and comfort even with the free standing table in position. This comes complete with 2 forward facing seats complete with seatbelts. This area is enhanced even more if the driver and passenger swivel seats are also incorporated. The dinette area transforms into a very spacious bed and there is also a large overcab bed if required. The rear end kitchen area consists of 3 burner gas hob & electric hot plate, grill, oven, stainless steel sink/drain, microwave and a large 3 way fridge with a full width freezer compartment. The final layout configuration is provided by a large corner/shower complete with a Thetford swi...
