2 BERTH

The Auto-Sleeper Stanway features an open and practical layout that perfectly emulates the feeling of space evident in larger van conversions. A flexible interior design with a well appointed rear corner kitchen, complete with its own coffee maker, sits alongside a corner washroom and dual functionality in the lounge with additional travelling seats included ensures there are no compromises when it comes to touring in true comfort. This model features a pullman style dinette with 2 forward seats and a side seat. For night use the dinette area easily converts into a large double bed measuring approx 1940mm x 1340mm. There is a very spacious rear kitchen which comes complete with a 3 burner hob, grill/oven, 3 way fridge, 240v microwave, coffee maker, sink and numerous cupboards. The toilet area is also very spacious and comes complete with a Thetford toilet. Features include: Side awning Bike rack Alloy wheels Electric side step External gas point Central locking 6 ...
