Living at the sun's pace is one of the advantages of the LMC Liberty. A most comprehensively equipped 2 berth motorhome comprising a fixed rear twin beds, and a side toilet room with shower. The internal layout consists of a fixed twin rear beds with a privacy curtain. A very roomy forward dinette (fitted with 2 diagonal seatbelts) is also incorporated. The kitchen consists of a large 3 way fridge with a full width freezer compartment, 3 burner hob, grill/oven and stainless steel sink. The rear toilet room has the benefit of a shower cubicle, swivel toilet and sink unit along with the additional storage cupboards you expect from the LMC brand. A Truma Combi boiler is fitted which provides blown air heating and hot water using gas. The quality fixtures and fittings are readily apparent and blend beautifully. A very cosy but nevertheless light and airy feeling is created by a large Heki style roof light and excellent double glazed windows. Overhead lights and I...
