The top of the range Microlite Discovery is tastefully finished and packs an almighty punch in terms of standard equipment/specification, whilst still retaining the iconic Freedom Pop-Top and weighing a mere 750Kgs fully laden. Being the Flare edition this comes in Silver with alloy wheels and a roof mounted solar panel. Perhaps the most well equipped pop-top caravan available on the market today, featuring everything you could ever need whether you're staying on a remote CL site or a large family holiday park. The Discovery has been designed with a brand new interior, exterior decals and logos along with the new and improved all weatherproof pop up roof. Features: Layout The Microlite Discovery's layout features a seating area/double bed at the front and a fridge & wardrobe in the middle. At the rear are the kitchen area and washroom. Overhead storage shelves provide plentiful space, whilst for larger items, there is 3 cupboards underneath the sink/hobs. Kitchen F...
