With a 5 year water ingress warranty, stylish interior upholstery design and a 3 way Dometic fridge unit fitted as standard you can caravan in comfort in this robust and practical tourer. The Freedom Sunseeker weighs in at just a mere 750KG including a 100KG load margin, towable by virtually any car available in the UK market today. Its one piece GRP body gives a phenomenal 35 year plus life expectancy and to top it all off you'll barely notice a difference, if any, in your fuel consumption. This compact unit sports a double dinette, both converting into very large sleeping quarters, a kitchen unit comprising of a hob, grill/oven, a sink unit with running water and now even a 3-way Dometic fridge fitted as standard. Blinds and flyscreens are fitted to the front and rear windows for your privacy, we fit a spare wheel and tyre as standard and you'll have all the storage space you need with a full length wardrobe, under-bed storage, 9 overhead lockers and plenty of cupboard s...
