Please note: This model is not in stock but is available to order. With its stylish exterior and impressive specifications the Super Light-weight award winning Microlite range comes in a choice of 2 layouts and now with an Alko stabiliser as standard The Freedom Microlite Sport being only 750Kg is the lightest "stand up caravan" available at the lowest price which is less than many canvas trailer tents. Giving you the option of a double as well as a single bed, the Microlite Sport offers all you need for that important move up from canvas to caravanning at the tightest of budgets. Even so you still get mains electric, a fridge, spare wheel and the all important lightweight "1 piece" GRP body that helps Freedom forecast a 35 year life expectancy! The Microlite Sport is packed with practical features designed to make your life easier and those touches of luxury to make it all the more enjoyable. Features include: Fully galvanised chassis, Spare wheel & under slung carri...
